C++ . Machine Learning[Infosys Springboard] (09/2022)

Python [Infosys Springboard] (08/2022)

PROJECTS

Fake Product Review Monitoring
- To find out fake review in the website our project "Fake Product Review Monitoring and Removal" we have introduced "Opinion Mining" in the system. This system will find out fake reviews made by posting fake comments about a product by identifying the IP address along with review posting patterns.
